TRANSMITTAL LETTER/CORRECTION OF ERROR IN FILING RECEIPT

Dear Sir:

We recently received two filing receipts for the above-mentioned patent application. We noticed an error in the number of drawings on both filing receipts. Although they are correct if you add them together, the number should be 10 (one is for 9, and the other, 1). In reference thereto, please find attached the following:

- (1) Copy of the Filing Receipts received May 27, 1994, which notes corrections to be made.
- (2) Change of Attorney's Address in Application.
- (3) Transmittal Letter (Original and Two Copies).
- (4) Postcard.

Very truly yours,

Joseph A. Sawyer, Jr.
Attorney for Applicants
Reg. No. 30,801
(415) 329-0136

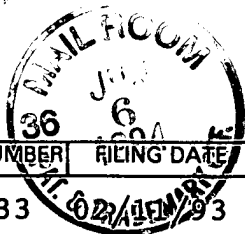

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to Commissioner of Patents and Trademarks, Attn: Application Processing Division, Customer Correction Branch, Washington, D.C. 20231, on June 3, 1994.

Signature:

Joseph A. Sawyer, Jr.

Receipt is acknowledged of this patent application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Application Processing Division's Customer Correction Branch within 10 days of receipt. Please provide a copy of the Filing Receipt with the changes noted thereon.

Applicant(s) SCOTT W. LEWIS, SAN JOSE, CA.

FOREIGN FILING LICENSE GRANTED 05/10/94

* SMALL ENTITY *

TITLE
SYSTEM AND APPARATUS FOR INTERACTIVE MULTIMEDIA ENTERTAINMENT

PRELIMINARY CLASS: 369

**LICENSE FOR FOREIGN FILING UNDER
Title 35, United States Code, Section 184
Title 37, Code of Federal Regulations, 5.11**

GRANTED

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "FOREIGN FILING LICENSE GRANTED" followed by a date appears on the reverse side of this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). This license is subject to revocation upon written notification. The date indicated is the effective date of the license, unless an earlier license has been granted under 37 CFR 5.13.

This license is to be retained by the licensee and may be used at anytime on or after the effective date thereof unless it is revoked. This license is transferrable to any related application(s) filed under 37 CFR 1.62 which meet the provisions of 37 CFR 5.15(a)(4). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR, Parts 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); and the Department of Energy.

NOT GRANTED

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "FOREIGN FILING LICENSE GRANTED" DOES NOT appear on the reverse side of this form. Applicant may still petition for a license under 37 CFR 5.12 (b), if a license is desired.
